

E-ACT Sports Premium Report 2018 - 2019

Academy: Ilminster Avenue

Children 5 years and above on role: 310

Sports Premium Total: £16,000 + £10 per pupil: £19,100.00

<u>Spend Description and objective</u>	<u>Approximate Spend</u>	<u>Anticipated Impact</u>		<u>Actual Spend</u>	<u>Actual Impact</u>	<u>Future Impact and Sustainability</u>
Ashton Park School Sport Partnership	£1,840.00	<p>A full programme of competitive and participation events for all ages and needs at a variety of venues with local schools</p> <p>Learning festivals</p> <p>Links with local clubs (incl. cricket, golf, dance)</p> <p>Some free transport to all events/listings above</p> <p>CPD for teachers including NQTs</p>	To be completed at the end of the academic year	£1895.00	75% of children from KS1 and KS2 have taken part in Extra-Curricular competition through the partnership, events ranging from dance festivals, tag rugby, cricket, football both boys and girls to name a few	Through investment in the partnership children will have access to sports that otherwise they may not have had the chance to, the future hope is that through this interest children continue with sport post primary education
<p>Running Sports Competitions and Events:</p> <ul style="list-style-type: none"> . Sport Relief Day . Race for Life . KS1 Sports Day . KS2 Sports Day 	£2,000.00	<p>Participation in fundraising events to increase understanding of role in society/ charitable contribution (SMSC)</p>		TBC	<p>Children across the whole school have participated in whole school events and charity events, this has created an understanding of</p>	<p>Through these events children will develop a confidence to participate in activities when many other children and adults are watching,</p>

					certain charities and what they represent	this again having an impact in future sports participation
Equipment update for academic year: Purchasing new and improved equipment.	£1,000.00	<p>Updating the school with new equipment to deliver good and outstanding lessons on a consistent basis.</p> <p>Ensuring each child has a piece of sports equipment each in a session benefits the child greatly (A basketball each for example).</p> <p>Giving each child a better experience in curriculum PE lessons will hopefully create an appetite to continue with sport post primary school and therefore continue to be healthy and active as they grow up.</p>		TBC	<p>New equipment has allowed for the PE team to deliver consistent lessons in line with the short and long term planning of PE in the academy, this again giving children the best access we can to PE provision throughout their time in primary education</p>	<p>Developing an enthusiasm for sport through high quality PE lessons and continued participation post primary</p> <p>Encouraged healthy lifestyle choices through playing sport</p>
<p>Regional PE Coordinator to deliver staff CPD in PE:</p> <p>Improving teacher's confidence and knowledge when teaching PE.</p> <p>Providing current staff with resources to teach PE more effectively</p>	£7,500.00	<p>All teaching of PE is good or better</p> <p>Significant improvement of subject knowledge in the teaching of some sports or other areas of the PE curriculum</p>		TBC	<p>Four staff meetings have been conducted through the academic year developing the PE skills of existing class teachers</p>	<p>Class teachers have the ability and confidence to deliver sessions in line with the national curriculum</p>

Introducing new sports and activities to children to encourage them to take up new sports: External providers (BCCT) Off-site sessions	£1,500.00	Increased range and choice of sports to suit all needs Transport costs included so no child misses out		£1,500.00	Bristol City Community Trust provided lessons for teachers CPD in PE delivery and also encourage a greater range of children to take up football	Continued enjoyment and enthusiasm to participate in sport post primary Encouraged healthy lifestyle choices through playing sport
Offering school sports clubs to involve lesser active individuals and SEN children: Using current staff members to deliver these sessions	£3,000.00	Specialist training for identified members of staff Specialist individual and group work Linked work with Healthy Schools (academy priority 6)		TBC	Children highlighted by the academy SENCO have participated in specialist PE sessions led by the Regional PE Coordinator, this giving these children better access to the PE curriculum in a more closed environment	Through the specialist lessons giving these children a better opportunity in physical education and hopefully increasing their confidence when they participate in the future
Top up Swimming lessons ensure all year 6 leavers can swim competently, confidently and proficiently over a distance of at least 25 metres, using a range of strokes effectively and perform safe self-rescue in different water based environments	£1,500.00	All year 6 children will be leaving the academy being able to swim at least 25m competently		TBC	Actual figures to be assessed in late July after final assessment Current figures suggest over 60% of year 6 can perform safe self-rescue and 30% of children can competently swim 25m unassisted	Children having the ability to swim competently and be safe in the water when leaving primary education
Total Approximate Spend: £ 18,340.00				Total Actual Spend: TBC at end of academic year.
