

Daily Routine for Year 2 Children

8.00: Breakfast time! Make sure you have something to eat and drink. Toast, cereal, and fruit are all tasty treats that will give you lots of energy for the day.

9.00: Reading time. In your packs there are lots of "60 second read" sheets that you can work through. This is also a good time to practise your sounds and key words or read to an adult or older sibling.

9.30: English time. We will be putting stories online for you to read and learn about in this slot. This is also a good time to practise your spellings or to draw a story map of any films or TV shows you have watched.

10.30: Have a break, a drink and a healthy snack.

10.45: Practise your number bonds and times tables.

11.00: Maths time. We will be putting up different Maths activities online for you to complete at this time. There are lists of calculations for you to work through in your packs during this time too.

12.00: Lunch time – try to have a walk/run around in the garden if you have one and get some fresh air. Also make sure to wash your hands before you eat! This is the Cbeebies lunch time hour where they share a story so is worth a watch if it is raining!

1.00: Educational screen time – choose something from the list attached.

1.30: Here are some ideas for your afternoons:

- Do a Yoga adventure on Cosmic Kids: <https://www.youtube.com/user/CosmicKidsYoga> One of these a day will keep your body moving and help your moods!
- Play shops! Make sure you practise adding up totals and giving change.
- Build a school with Lego/duplo/junk around your house and teach your toys what you learnt this morning.
- Sketch something in your house.
- Write in your exercise book how you are feeling today and what you have done.
- Read a book and write a review.
- Watch a movie and write questions for the rest of your family about it.
- Practise your handwriting – sheets in pack
- Design a character, cut it out and play with it. What adventures can they go on? What friends could you make for them?

We'll keep updating this list online.

3.00: Read a book (can be online) and write in your child's reading record.

Please follow this timetable Monday-Friday to keep some structure and routine to everyone's days. We will be updating the school website with more activities to keep us all going.

We really appreciate your support with continuing your child(ren)'s learning at home. May the force be with you! Stay safe everyone!
