Thursday 21st January 2021

This letter is for the small group of children whose parents/carers we have individually spoken to

Dear parent or carer,

I am writing to you regarding the positive case in our year 6 bubble which we informed you of on Wednesday 13th January.

We have been working closely with Track and Trace and Public Health who have updated the guidance for this case. In line with the most recent guidance we ask that your child now stay at home and self-isolate until **Saturday 23rd January**. They can return to school on **Monday 25th January**.

Further Information

Further information is available at <https://www.nhs.uk/conditions/coronavirus-covid-19> should you need it, but please do get in touch with us if you have any questions.

I will be sure to keep in close contact with you as will your child's teacher who will be in touch to discuss your child's remote learning while they are away from academy. We will continue to use seesaw every day whilst learning from home.

In the meantime, I take this opportunity to thank you for your understanding during this challenging time, and again ask that you please get in touch with any questions or concerns. You can also use our Facebook messaging service and mailboxes. Staff will answer any questions/queries when they can.

Yours sincerely,

A handwritten signature in black ink that reads 'F Hawkins'.

Mrs Hawkins
